1.1.1 MEENA GAME

Meena Game

Adventure Edutainment Game
Available on App Store & Google Play

Meena is a cartoon character from South Asia. She is a spirited, nine-year-old girl, who braves all the odds – whether in her efforts to go to school or in fighting the discrimination against children. UNICEF releases new Meena stories that are read and watched by children and adults alike in India, Bangladesh, Pakistan, Sri Lanka, Nepal and Bhutan. Meena episodes have been dubbed into local languages and shown on TV in Laos, Cambodia and Vietnam as well.

UNICEF continues to speak with children to find out what stories people want to hear and this game is another step to reach their expectation.
